

Principles When Leading a Child to Christ

- You cannot save anyone--Only God can save a person.
- Salvation is not by the words you use--It is the power of God
- The best gospel presentation does not save anyone.
- God can use a bumbling presentation.

The Gospel Presentation

- Use God's Word, the Bible
- We want people to trust God--not us.
- There are many methods--no "correct" one
- Let the Holy Spirit lead.
- Don't try to force the person.
- God can use your witness, but He cannot use your silence.

Success in Witnessing

- Living out my Christian life
- Sharing the gospel
- Trusting God for the results
- Success is NOT bringing someone to Christ
- God's job

Failure

- Not taking the opportunity God gives us
- Not trusting God to do the work
- Failure does not happen when someone does not receive Jesus as their personal savior.
- God has to save--You can't.

The Dead

- God has called us to deal with the dead.
- “You are dead in your trespasses and sin.”
- Ephesians 2:1
- Witnessing is about obedience--
- Not results.
